

Section 401 Water Quality Certification Public Notices

The Central Coast Water Board is currently reviewing applications for the following project for certification under Section 401 of the Clean Water Act. We encourage public comments on the proposed work, which will be considered in the decision. You may submit comments in writing on any of these projects to:

Central Coast Regional Water Quality Control Board
895 Aerovista Place, Suite 101
San Luis Obispo, CA 93401
Attention: 401 Coordinator

Project Applicant	E. Floyd and Jean Kvamme
Applicant's Agent	Max Busnardo
Project Name	Lichen Oaks Ranch Pond Restoration
Receiving Water	Quail Hollow Brook, Zayante Creek
City/County	Felton/Santa Cruz
Public Notice	August 18, 2009 – September 8, 2009
Project Description	<p>The purpose of this project is to restore deepwater bathymetry within the pond, thus restoring water-holding capacity; and to repair the failing culvert infrastructure draining the pond and the headwall supporting the pond dam, thus preventing dam overtopping and potential dam failure.</p> <p>The project activities include:</p> <ul style="list-style-type: none">• Initial excavation of approximately 2,700 cubic yards of sediment from the pond;• Construction of a new 30-inch culvert and weir box to drain the pond;• Replacement of the damaged culvert headwall;• Construction of a cobble access road into the interior of the pond for use during initial and maintenance activities and;• Installation of rock rip-rap for an improved outfall into Quail Hollow Brook from the pond culverts. <p>County of Santa Cruz filed a Mitigated Negative Declaration and is expected to be completed in September, 2009.</p>
